High-pressure cleaner NHP 600

NEW Product

NHP 600 with high-pressure lance

NHP 600

NHP 600 in storage

Rabaud advantages

- Tractor 3-point hitch. No electrical connection or engine.
- Weatherproof and corrosion-resistant 600-litre polyethylene tank.
- High-pressure pump with a flow of 13 l/min for high cleaning power and low water consumption.
- Easy-access filter to protect the pump from impurities and extend its life.
- Drain system for draining and winterizing the washer.
- Long lance length for greater working comfort.
- 15-metre hose to get as close as possible to cleaning areas.
- Mounted on a frame with 4 swivel wheels, 2 of which have brakes for easy transfer.
